

## **Motion – 2404BC01 Creation of New Budget Line Item**

**The Senior Committee moves to create a new budget line item, 52075 Senior Meet Host Incentive, beginning in the 2024-25 fiscal year.**

**Purpose:** The committee would like some money to be made available to incentivize the hosting of what are deemed important Senior meets for which hosts have proven difficult to find.

The Senior Committee members all agree on the importance of some Senior meets, specifically the Summer Senior 2 P/F meet, yet it seems that few or no teams are willing to host them. The committee would like to offer a financial subsidy for a meet or meets to entice potential host teams. In order to do this, a new line item needs to be created for the budget. That line item would be 52075 Senior Meet Host Incentive.
